About the Netherlands

Investor testimonials

Built on the delta of some of Europe's main rivers, the Netherlands is a small country that punches above its weight in world business and politics.

It has a growing and healthy economy with a strong services sector and excellent industries like life sciences, electronics, food, flowers, the chemical industry, water technology, and engineering. **More>>>**

Import & Export Hong Kong

Traditionally Hong Kong has been a centre for buying and sourcing for traders from all over the world. Annually, the trade fairs in Hong Kong attract hundreds or thousands of visitors from all over the world and especially from the Chinese mainland. Many entrepreneurs in Hong Kong are specialised buying and sourcing agents. They help overseas customers to find suitable products and arrange production, quality control, logistics and often also administration.

Unexperienced importers can prevent many problems and save a lot of time and money by teaming up with a buying and sourcing agent in Hong Kong.

The HK Chamber of Commerce in the Netherlands can help you to find a suitable buying and sourcing agent quickly. Call or write for an appointment or more information. **More>>>**
